

Realtors join with charity company

LOCAL real estate agents will raise funds for Youngcare when they gather next week at a Women's Real Estate Network event.

About 75 agents are expected to attend the fashion parade and luncheon to be held at Easts Leagues Club, Coorparoo, on December 10.

Organiser Lenore Sieber, *pictured*, from RE/MAX United Vision, said all women working in real es-

tate and associated industries were invited to attend.

The event will also celebrate the launch of WREN's charity partnership with Youngcare, an organisation which provides relevant and dignified lifestyles for young people with high-care needs.

Lenore said that sadly, more than 6500 young Australians were forced to reside

in aged care homes - simply because there were no alternatives.

"Youngcare is committed to addressing this national issue and creating change for young people in need," she said.

■ Tickets cost \$20 including a light luncheon, and bookings are essential. Email zoes@remax.com.au or phone Zoe on 3843 1355.
